

Volunteer Corner

Our Volunteer of the Month is Marie Fowler. You may know Marie from working on the Welcoming Committee with her or the Fellowship Planning Committee. Marie can be found in many jobs around campus; working on the phone directory, serving on the food committee, scooping ice cream at our ice cream socials etc.

Marie was born in Bakersfield, and slowly moved her way up the Central Valley until she landed in San Jose. Her job list is too lengthy to list here! But she was not sitting still. Not only is Marie busy volunteering for Gold Country she also is involved with her church and the many aspects of church life. We are very fortunate to have Marie among us here at Gold Country.

Managers Message

Please welcome the following new residents this month: Jeanne Baumgartner, Apt. 110-1, Thomas Krejci, Apt. 308-3, Shirley Dawson, Apt. 105-1, Nicholas and Kathleen Music, Apt. 306-2 and Norma Boyd, Apt. 315-2.

We welcome our new reception team member Brenda Welch. Brenda comes to us with lots of experience in the senior care industry and with great office skills. We welcome her to our team.

Happy Father's Day to all of our Gold Country Dads. The dietary team is planning a BBQ to celebrate our Dads on Sunday, June 20th. There is also a Car show to enjoy that same day in front of the Health Center. See your activity calendar for more details.

We want to encourage more of our residents to come down to our dining room to enjoy a meal. Picking up all of your meals and eating at home is continuing the social isolation we all had to endure during the Pandemic. It is also friendlier to the environment to eat on plates we can wash and reuse, rather than the Styrofoam containers that have to go into the trash as they cannot be recycled in our county. Our reception staff would very much appreciate having less orders to take at our front desk as well. Give it a try, you just might like it!

Get out there and enjoy the sunshine!
Have a great June,
Trisha Raines, Manager
