### Executive Director's Corner

Spring is in full swing and it's time to clear away the winter clutter. Spring cleaning can also extend to the common areas around our community. With the cool spring breezes blowing our way, it's time to open your windows and doors for some fresh air. When you do, you may notice some excess clutter you left on your patio last fall. Please take a moment to clean up. Your view will be better, and your neighbors will appreciate it, too! You deserve a beautiful place to call home. Let's all do our part to keep our property looking great! Here's to a happy spring full of smiles, laughter and beautiful weather!

## **FAITHFULNESS**

Faithfulness and Fidelity are  
greatly admired in our soldiers.

The Marine Corps motto  
"Semper Fidelis" in Latin means  
"Always Faithful". Fidelity is  
required of husbands, wives,  
politicians, all sorts of leaders,  
and all employees. A faithful  
person does not betray a trust or  
a commitment they have made  
nor is faithfulness limited to the  
rich and powerful. Employees  
are faithful because every  
member is part of a team. What  
would we do without faithful  
dishwashers, trash collectors,  
bank tellers and caregivers? Life  
would be pretty uncomfortable  
in a hurry.

In the Bible, Abraham was

## **WITH DEEPEST SYMPATHY**

*"Those we love don't go away,  
They walk beside us every day.  
Unseen, unheard but always near,  
So loved, so missed, so very dear."*

Our deepest condolences to  
family and friends of those we  
lost recently.

faithful and a friend to God.  
Moses faithfully led the Israelites  
out of Egypt. God is faithful and  
just to forgive our sins and lead  
us to rightness. Faithfulness to  
God and to others is absolutely  
important to be a Christian, for  
God gives us the privilege of  
helping people to salvation and  
being a good example for others  
to follow.

### IMPORTANT MESSAGE FROM YOUR MAINTENANCE DEPARTMENT

#### Cooler Project

To prepare for warmer weather, maintenance personnel will begin inspecting, replacing parts and hooking up the evaporative coolers beginning on Monday, April 1st. This project could take up to three weeks to complete.

Part of this process will be to clear out any dirt or leaf particles that may have accumulated. We will come to every apartment to test and clear each cooler. If you are not home, we will not enter. A note will be left on your door and we will appreciate if you could call us and make an appointment that is convenient to you.

### Linda Ross

In September of this year Linda will be at Mayflower Gardens for seven very joyful years.

Linda has been very involved throughout the years and there is hardly a volunteer position she has not done.

Even her granddaughter has volunteered at Mayflower for more than a year.

Her favorite hobby is to make quilts, she even got 1st prize last year at the AV Fair.

To help her relax she does challenging puzzles and cares for her two hairy babies, Issy who is 15 years old and Tink who is 7 years old.
