Reminder, during this Covid Pandemic RHF requires that you must wear at all times a mask that covers your nose and mouth while in the facility to protect our residents and staff. Our Assisted Living is still in lock down which means no visitation. IL may have no more than 2 guests and they must practice social distancing 6' apart.

All visitors must be screened at the entrance prior to entering the building.

With your assistance DeSmet has remained a Covid-free community. Keep up the good work.

January 2021

Pick a Puzzle

Jigsaw puzzles, crosswords, word searches and puzzles of every kind can be relaxing while also engaging the brain. If you're not already a puzzler, take your pick and solve one on National Puzzle Day, Jan. 29.

Letter Writing Revival

Despite this digital age of texts, social media posts and emails, writing letters and cards has made a comeback. Brighten someone's mailbox with a handwritten note during Letter Writing Week, the second week of January. With just a few words, you can deliver some delight.

New Year's Noodles

For good health and luck in the months ahead, dig in to the Asian custom of eating a bowl of noodles on New Year's Day. The food's length symbolizes longevity, so the aim is to slurp up long noodles without breaking them before they're fully in your mouth.
