Welcome Home to Sun City Gardens!

For over sixty years, Sun City Gardens has been a vital part of the Sun City Community. First built as an active resort, it has evolved into a recognized leader in the senior housing marketplace. Whether looking for Independent, Assisted, or Memory Care Living, Sun City Gardens offers all three options in a spacious garden setting.

Sun City Gardens is just one of over 198 communities owned and operated by Retirement Housing Foundation, the largest nonprofit retirement housing corporation in the country. We are a faith-based organization that is affiliated with United Church Of Christ. Retirement Housing Foundation has been in operation for over fifty-five years. We are proud of our heritage and longevity in the care of elders. Not many providers in the marketplace today can boast such a rich history.

On Friday, November 4th, the Johnson Hearing Doctor will be in the Library from 8:30-9:30AM. Room visits are also available if you request them.

The next Resident Council and Food Meeting will be held in the main lounge on Wednesday, Nov. 16, 2022, at 10:00AM. Assisted Living will have Resident Council at 1:30PM on Nov. 9th in the Activity Room. We encourage all residents to participate in our meetings. This is a good time to bring up ideas and suggestions to continue and improve your home here at Sun City Gardens.
