

HEALTHCARE CENTER

WARMTH & COMFORT OF HOME

Aviara staff members strive to ensure that residents feel as comfortable and “at home” as possible. We help individuals recover from surgery, injury or serious illness. Our team of professionals create a warm, comfortable environment, while serving the individual needs of each resident.

COMMITTED TO EXCELLENCE

Aviara accommodates 119 beds in spacious, private and semi-private rooms with easy access to serene patio areas. Our comfortable rooms offer flat-screen TVs with pillow speakers, WiFi and direct dial-in phone availability. Aviara’s recent enhancements reflect its new leadership and a philosophy of providing superior care.

PEACE OF MIND

Aviara residents enjoy a range of activities developed to meet their needs, including: exercise programs, social & recreational activities, and arts & crafts. Genuine care and comfort are provided to all residents.

Aviara Healthcare Center offers a dynamic rehabilitation program specializing in orthopedic and neurological rehab. Fulltime, highly qualified and trained therapists create a uniquely compassionate and encouraging environment to help patients achieve their highest potential and return home to their loved ones.
