

# Welcome to Sunnyvale Post-Acute Center

Sunnyvale Post-Acute is the region's premier skilled nursing and post-acute rehabilitation center. Our team of highly skilled, dedicated, and caring clinicians look forward to continuing the tradition of delivering unsurpassed quality care to everyone who enters our door. We are genuinely interested in you and your health and will do our best to ensure you have everything you need for a quick recovery. We encourage you and your family to be active participants in establishing your rehab goals and plan of care.

## QUESTIONS ABOUT INSURANCE?

No matter what type of medical insurance you have, our financial experts will help you decipher what your plan benefits include.

## COME VISIT US

We would love to meet with you and discuss you or your loved one's needs. Call us anytime to schedule a guided tour and complimentary therapy consultation.

## Experience Sunnyvale Post-Acute

Sunnyvale Post-Acute is a Medicare-certified skilled nursing and rehabilitation facility that serves the greater Sunnyvale & Mountain View regions. We pride ourselves on our ability to offer a team of dedicated professionals who are specially trained to manage a full spectrum of healthcare needs. Our experienced healthcare team strives to help our patients reach their maximum potential in a caring and supportive environment.

Our facility is a short drive from El Camino Hospital and other major hospitals.

## Premier Rehabilitation

A stay at Sunnyvale Post-Acute begins with an evaluation by our team of physicians, therapists, nurses, social services, and other support staff. These meetings allow us to design a personalized care plan focused on returning you to your highest level of independence as quickly as possible.

Our expansive therapy gym and rehab suites offer a unique and personalized experience for patients recovering from strokes, neurological impairments, and orthopedic procedures. Rehabilitation takes place in our fully equipped therapy gym under the guidance of experienced professional therapists.
