

INSIDE OUT

LIVING OUT OUR RELATIONSHIP WITH CHRIST

DEAR CHURCH FAMILY

On the eighth day of the Feast of Tabernacles, a celebration of the agricultural provision of God, Jesus stood and declared, ***"If any man thirst, let him come unto me, and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water."*** (John 7:37-38) He welcomed all that were spiritually thirsty and unsatisfied to find total satisfaction in a personal relationship with Him. If that was not enough, once they experienced this relationship, through the power of the indwelling Holy Spirit they would be able to live out this relationship for the spiritual benefit of people around them.

Jesus never intended the Christian life to be a schedule of empty religious ceremonies, a set of rituals and traditions, or an act we maintain. The Christian life is a relationship with Christ. If our hearts cannot be satisfied with Jesus, nothing else and no one else can. As water is to your thirsty body, so believing on Christ is to your spiritually thirsty soul. Do you remember the day you found Jesus to be the satisfaction of your soul? Jesus expects us to live out our relationship with Him in surrendered service in His name, the salvation of the lost, and the edification of the saints. **He expects us to live inside out!**

Regardless of the trials of faith that will come and the many distractions that satan will throw our way, prayerfully determine to live your life inside out. Day by day, experience total satisfaction in your relationship with Christ and live out your relationship with Christ in all that you do.
