4. I understand that this student will be participating in a virtual alternative to the traditional GCSS State Social Studies Fair and that, in addition to submitting the research paper to the virtual region director, the student will be required to present a ppt, pdf or mp4 including the required presentation components and respond by voice to questions via *Adobe Connect* on the day of the regional fair. The student will be assigned a presentation time for the regional fair, and I will facilitate participation as needed.

I agree for the presentation to be recorded for access by the virtual judges. Guidelines for the virtual presentation and awards at the state level will be unique to and separate from the traditional fair, but the same procedures for advancement from the virtual region to the state contest will apply.
