

The Great Outdoors

The great outdoors-

tweet, tweet!

So many birdies.

Red cardinals, black and white chickadees,
and brown hawks.

Flap, flap!

Fly the birdies wings.

Whoosh!

Trees swaying where
the birdies make their nests.

How-howoo!

The coyotes howling in the woods.

Crackle, crackle-

squirrels and chipmunks scampering
around playing tag.

Woo! Woo! Woo!

My dog startled me and the peaceful animals,
and they all scurried away.
