

Safety Data Sheet AKH325 Date of issue: 12/30/2014 Versi Version: 1.0

| SECTION 1: Identification   |   |  |
|---|---|--|
| 1.1. Identification   |   |  |
| Product name  | : HAFNIUM n-BUTOXIDE  |  |
| Product code  | : AKH325  |  |
| Product form  | : Substance   |  |
| Physical state  | : Solid   |  |
| Formula   | : C16H36HfO4  |  |
| Synonyms  | : HAFNIUM TETRABUTOXIDE; HAFNIUM TETRA-N-BUTOXIDE; HAFNIUM BUTYLATE;<br>TETRA-N-BUTOXYHAFNIUM   |  |
| Chemical family   | : METAL ALKOXIDE  |  |
| 1.2. Recommended use and restrictions   | s on use  |  |
| Recommended use   | : Chemical intermediate   |  |
| 1.3. Supplier   |   |  |
| GELEST, INC.<br>11 East Steel Road<br>Morrisville, PA 19067<br>USA  |   |  |
| T 215-547-1015 - F 215-547-2484 - (M-F): 8:00<br>info@gelest.com - www.gelest.com   | AM - 5:30 PM EST  |  |
| 1.4. Emergency telephone number   |   |  |
| Emergency number  | : CHEMTREC: 1-800-424-9300 (USA); +1 703-527-3887 (International)   |  |
| SECTION 2: Hazard(s) identification   |   |  |
| 2.1. Classification of the substance or n   | nixture   |  |
| GHS-US classification   |   |  |
| Skin corrosion/irritation Category 2<br>Serious eye damage/eye irritation Category 2A<br>Full text of H statements : see section 16 | H315 Causes skin irritation<br>H319 Causes serious eye irritation   |  |
|   |   |  |
| 2.2. GHS Label elements, including pred   | cautionary statements   |  |
| GHS US labeling   |   |  |
| Hazard pictograms (GHS US)  |   |  |
| Signal word (GHS US)  | : Warning   |  |
| Hazard statements (GHS US)  | : H315 - Causes skin irritation<br>H319 - Causes serious eye irritation   |  |
| Precautionary statements (GHS US)   | <ul> <li>P280 - Wear protective gloves/protective clothing/eye protection/face protection.</li> <li>P264 - Wash hands thoroughly after handling.</li> <li>P302+P352 - If on skin: Wash with plenty of water</li> <li>P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing</li> <li>P332+P313 - If skin irritation occurs: Get medical advice/attention.</li> <li>P337+P313 - If eye irritation persists: Get medical advice/attention.</li> <li>P362 - Take off contaminated clothing and wash before reuse.</li> </ul> |  |
| 2.3. Hazards not otherwise classified (H  | NOC)  |  |
| No additional information available   |   |  |
| 2.4. Unknown acute toxicity (GHS US)  |   |  |
| Not applicable  |   |  |
| <b>SECTION 3: Composition/Informatic</b>  | on on ingredients   |  |
| 3.1. Substances   |   |  |
| Substance type  | : Multi-constituent   |  |
| Name  | : HAFNIUM n-BUTOXIDE  |  |
| CAS-No.   | : 22411-22-9  |  |

Safety Data Sheet

| Name   |   | Product identifier                                       | %           | GHS-US classification  |
|--|---|--|-------------|--|
| Hafnium n-butoxide   |   | (CAS-No.) 22411-22-9                                     | > 95        | Skin Irrit. 2, H315  |
| Zirconium n-butoxide   |   | (CAS-No.) 1071-76-7                                      | < 3         | Eye Irrit. 2A, H319<br>Skin Irrit. 2, H315                             |
|  |   |  |             | Eye Irrit. 2A, H319  |
| Full text of hazard classes and H-statements                         | : see section 16                                      |  |             |  |
| 3.2. Mixtures  |   |  |             |  |
| Not applicable   |   |  |             |  |
| SECTION 4: First-aid measures  |   |  |             |  |
| 4.1. Description of first aid measures<br>First-aid measures general |   | olothing and choose. In as                               | an of anni  | dent or if you feel unwell, seek                                       |
| rinst-ald measures general   |   | ately (show the label whe                                |             | e). If possible show this sheet; if no                                 |
| First-aid measures after inhalation                                  | : Remove victim to fresh unwell, seek medical ac      |  | position co | mfortable for breathing. If you feel                                   |
| First-aid measures after skin contact                                | : Wash with plenty of soa                             | •  |             |  |
| First-aid measures after eye contact                                 |   | thoroughly with water for<br>. Continue rinsing. Get m   |             | 5 minutes. Remove contact lenses,<br>ice/attention.                    |
| First-aid measures after ingestion                                   | : Never give anything by                              | mouth to an unconscious                                  | s person. ( | Get medical advice/attention.  |
| 4.2. Most important symptoms and e                                   |   |  |             |  |
| Symptoms/effects after inhalation                                    | : May cause irritation to t                           | he respiratory tract.                                    |             |  |
| Symptoms/effects after skin contact                                  | : Causes skin irritation.                             | totion   |             |  |
| Symptoms/effects after eye contact                                   | Causes serious eye irrit     No information available |  |             |  |
| Symptoms/effects after ingestion                                     |   |  |             |  |
| 4.3. Immediate medical attention and                                 | I special treatment, if necessa                       | ary  |             |  |
| No additional information available                                  | 5   |  |             |  |
| SECTION 5: Fire-fighting measure                                     | es  |  |             |  |
| 5.1. Suitable (and unsuitable) exting                                | uishing media   |  |             |  |
| Suitable extinguishing media   | : Water spray. Foam. Ca                               | rbon dioxide. Dry chemic                                 | al.         |  |
| 5.2. Specific hazards arising from th                                | e chemical  |  |             |  |
| Fire hazard  |   |  | velop wher  | n material is exposed to elevated                                      |
| 5.3. Special protective equipment ar                                 | d precautions for fire-fighters                       | 5  |             |  |
| Firefighting instructions  | : Use water spray to cool                             | exposed surfaces. Exer                                   | cise cautio | n when fighting any chemical fire.                                     |
| Protection during firefighting                                       |   | ithout proper protective e<br>contact and do not breath  |             | , including respiratory protection.                                    |
| SECTION 6: Accidental release m                                      |   |  | o tapo: a   |  |
| 6.1. Personal precautions, protective                                |   | procedures   |             |  |
| 6.1.1. For non-emergency personnel                                   |   |  |             |  |
| Emergency procedures   | : Evacuate unnecessary                                | personnel.   |             |  |
| 6.1.2. For emergency responders                                      |   |  |             |  |
| Protective equipment   | : Equip cleanup crew with                             | h proper protection.                                     |             |  |
| 6.2. Environmental precautions                                       |   |  |             |  |
| Prevent entry to sewers and public waters. N                         | lotify authorities if liquid enters                   | sewers or public waters.                                 |             |  |
| 6.3. Methods and material for contai                                 | nment and cleaning up                                 |  |             |  |
| Methods for cleaning up  |   | soon as possible, using a<br>priate container for dispos |             | nt material to collect it. Sweep or                                    |
| 6.4. Reference to other sections                                     |   |  |             |  |
| See Heading 8. Exposure controls and perso                           | onal protection.                                      |  |             |  |
| SECTION 7: Handling and storage                                      | 9   |  |             |  |
|  |   |  |             |  |
| 7.1. Precautions for safe handling                                   |   |  |             |  |
| 7.1. Precautions for safe handling Precautions for safe handling     |   | -  | e dust. Pro | vide local exhaust or general room                                     |
|  | ventilation to minimize e                             | exposure to dust.  |             | vide local exhaust or general room<br>water before eating, drinking or |

Safety Data Sheet

|   | ding any incompatibilities  |
|---|---|
| Storage conditions  | : Keep container tightly closed.  |
| Incompatible materials  | : Air. Water.   |
| Storage area  | : Store in a well-ventilated place. Store away from heat.   |
| SECTION 8: Exposure controls/per  | sonal protection  |
| 8.1. Control parameters   |   |
| No additional information available   |   |
|   |   |
| 8.2. Appropriate engineering controls   |   |
| Appropriate engineering controls  | : Provide local exhaust or general room ventilation.  |
| 8.3. Individual protection measures/Pe  | ersonal protective equipment  |
| Personal protective equipment:  |   |
| Avoid all unnecessary exposure. Emergency e exposure.   | ye wash fountains and safety showers should be available in the immediate vicinity of any potential   |
| Hand protection:  |   |
| Neoprene or nitrile rubber gloves   |   |
| Eye protection:   |   |
| Chemical goggles. Contact lenses should not b   | be worn   |
| Skin and body protection:   |   |
| Wear suitable protective clothing   |   |
| Respiratory protection:   |   |
|   |   |
| Where exposure through inhalation may occur   | from use, respiratory protection equipment is recommended. NIOSH-certified dust and mist (orange  |
| Where exposure through inhalation may occur cartridge) respirator.  | from use, respiratory protection equipment is recommended. NIOSH-certified dust and mist (orange  |
| cartridge) respirator.  |   |

| Respiratory or skin sensitization                             | : Not classified   |
| Germ cell mutagenicity<br>Carcinogenicity                     | : Not classified<br>: Not classified                                     |
| Carcinogenicity   |  |
| Reproductive toxicity   | : Not classified   |
| Specific target organ toxicity – single exposure              | : Not classified   |
|   |  |
| Specific target organ toxicity – repeated exposure            | : Not classified   |
| Aspiration hazard   | : Not classified   |
| Symptoms/effects after inhalation                             | : May cause irritation to the respiratory tract.                         |
| Symptoms/effects after skin contact                           | : Causes skin irritation.  |
| Symptoms/effects after eye contact                            | : Causes serious eye irritation.   |
| Symptoms/effects after ingestion<br>Reason for classification | : No information available.  |
|   | : Expert judgment  |
| SECTION 12: Ecological information                            |  |
| 12.1. Toxicity  |  |
| No additional information available                           |  |
| 12.2. Persistence and degradability                           |  |
| No additional information available                           |  |
| 12.3. Bioaccumulative potential                               |  |
| No additional information available                           |  |
| 12.4. Mobility in soil  |  |
| No additional information available                           |  |
| 12.5. Other adverse effects                                   |  |
| Effect on the ozone layer                                     | : No additional information available                                    |
| ······································                        |  |
| SECTION 13: Disposal consideration                            |  |
| 13.1. Disposal methods  |  |
|   | · Dispose in a safe manner in accordance with local/national regulations |

| Product/Packaging disposal re- | commendations |
|--------------------------------|---------------|
|--------------------------------|---------------|

: Dispose in a safe manner in accordance with local/national regulations.

Safety Data Sheet

| Ecology - waste materials   | : Avoid release to the environment.  |
|---|--|
| SECTION 14: Transport information   |  |
| 14.1. UN number   |  |
| Not regulated for transport.  |  |
| 14.2. UN proper shipping name   |  |
| Not applicable  |  |
| 14.3. Additional information  |  |
| Other information   | : No supplementary information available.  |
|   |  |
| Transport by sea  |  |
| No additional information available   |  |
| Air transport   |  |
| No additional information available   |  |

| <b>15.3. US State regulations</b><br>California Proposition 65 - This product does no   | t contain any substances known to the state of California to cause cancer, developmental   |

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer, developr and/or reproductive harm

#### SECTION 16: Other information

 Full text of H-phrases::
 Causes skin irritation

 H315
 Causes skin irritation

 H319
 Causes serious eye irritation

Safety Data Sheet

| Abbreviations and acronyms                    | : Abbreviations: ND: Not Determined, No Data; NA: Not Applicable; LD: Lethal Dose; LC: Lethal Concentration; ATE: Acute Toxicity Estimates; H: hour; °: °C unless otherwise stated; mm: millimeters Hg, torr; PEL: permissible exposure level; TWA: time weighted average; TLV: threshold limit value; TG: Test Guideline; NIOSH: National Institute for Occupational Safety and Health; IARC: International Agency for Research on Cancer; NTP: National Toxicology Program; HMIS: Hazardous Material Information System; CAS No.: Chemcial Abstract Service Registration Number; EC No.: European Commission Registration Number; EC Index No.: European Commission Index Number; OECD: The Organisation for Economic Co-operation and Development; GHS: The Globally Harmonized System of Classification and Labelling; APF: Assigned Protection Factor. |
|---|---|
| Hazard Rating                                 |   |
| Health  | : 2 Moderate Hazard - Temporary or minor injury may occur   |
| Flammability                                  | : 2 Moderate Hazard - Materials which must be moderately heated or exposed to high ambient temperatures before ignition will occur. Includes liquids having a flash point at or above 100 F but below 200 F. (Classes II & IIIA)  |
| Physical                                      | : 1 Slight Hazard - Materials that are normally stable but can become unstable (self-react) at high temperatures and pressures. Materials may react non-violently with water or undergo hazardous polymerization in the absence of inhibitors.  |
| Prepared by safety and environmental affairs. |   |
