[I don't know.... or Do you?](#)

You say you don't know  
But you do  
You pretend you don't know  
But you do  
You believe you don't know  
But you do

Out of any perceived threat  
Being known is scary

The difficulty is claiming your knowing  
Owning what you know this moment  
Making what is true for you known  
Accepting the outcome

Our mind will convince us of just about anything to keep us where we are  
It's not that our mind doesn't like us  
Our mind is trying to keep us safe
