

Next steps to recruit volunteers for your #GiveBigDFW projects:

Powered by **VOLUNTEER**♥**NOW**

VOLY.org is the 24/7 connection between volunteers and local service opportunities. With more than 135,000 volunteers who use the site, VOLY.org is the perfect way to find the support you need. VolunteerNow, the technology nonprofit that powers VOLY.org, is proud to partner with United Way Metropolitan Dallas, Tarrant County, and Denton County to inspire our community to give back.

- Go to www.VOLY.org, and click on “Create an Account” in the top right. Select “Agencies”.
- Scroll down the page and select “Choose Plan” under “VolunteerNow Membership” - it’s free!
- Complete required fields. Select the Cause associated with your organization’s mission. (You will select the #GiveBigDFW cause when creating your opportunity for that project. More on that later.)
- Click “Create Account” and your application will be sent to the VolunteerNow team for review.
- Our team will confirm your 501c3 status and approve your application, which happens on a daily basis. You will receive a welcome email when you are approved.

Your organization might already have a membership with VolunteerNow, or an account for VOLY.org. If you’re not sure, please contact us at membership@volnow.org.
