

What is Give DeKalb County?

2018 is the fifth anniversary of Give DeKalb County—a 24-hour fundraising event designed to build community, encourage philanthropy, connect donors to nonprofits, promote collaboration, and raise awareness about the nonprofit sector. Moreover, it unites nonprofits and donors in a fun and engaging day of giving!

Donors of all ages and walks of life are encouraged to express their generosity on May 3, 2018.

A bonus pool of funds raised from Community Partners ensures that every donation makes an even greater impact. Your donation will actually leverage additional funds from the bonus pool when given during Give DeKalb County. This adds a lot of excitement and a dose of friendly competition to May 3!

Encourage your favorite nonprofits to register now and spread the word by tagging #GiveDeKalbCounty on social media!

Why Should I Donate?

-  Make a positive impact
-  Support the nonprofit community
-  Express your generosity
-  Inspire others to give

How Does It Work?

From midnight to midnight on May 3, visit GiveDeKalbCounty.org, choose a nonprofit, and donate. It's simple! For those who prefer to give in-person, donations will also be accepted at the DeKalb County Community Foundation. A small percentage of each online donation will be deducted to cover processing and administrative fees, but all donors have the option to cover those costs (and most donors do!) so that nonprofits receive the full donation amount.
