STANDARD & CUSTOM DUMP BODIES

gincor.com

GINCOR Werx sets the standard in dump body installations for one simple reason...Quality. Our installation is a premium package because it comes with exclusive GINCOR Werx components, upgrades and innovative installation techniques that have been perfected since 1978.

GINCOR Werx Dump Bodies are a heavy-duty build, designed for durability using only high quality materials.

Contact your local sales manager for further details.
