Providing Pathways to End Youth Homelessness

HOPE 4 Youth is a nonprofit organization in Anoka County which helps young people ages 16 to 24 who are experiencing or at risk of homelessness. Our name is an acronym for our focus areas: Housing, Outreach, Prevention, and Education/Employment.

OUR MISSION: To provide pathways to end youth homelessness

VISION: All youth will feel safe, valued, and supported while reaching their full potential. This begins with meeting their basic needs and leads to giving them the tools to thrive.

OUR PROGRAMS

HOPE 4 Youth Center

The HOPE 4 Youth Center in Anoka is a safe, non-judgmental place for all youth who are in need. Youth can visit for a hot meal, clothing, hygiene, food items, shower, laundry facilities, etc. Our Youth Coordinators connect youth to stable housing, health and wellness programs, education and employment opportunities, and more. In addition, we offer on-site professional services through community partners.

Outreach & Prevention

Our HOPE 4 Youth Outreach and Prevention Programming connects youth to resources and support to assist in preventing homelessness. We do this through engagement with local high schools and community outreach to connect youth with age-appropriate resources such as Host Homes, Family Crisis Management, and Housing Support.

HOPE Place

HOPE Place is our 12-unit transitional housing facility in Coon Rapids that offers supportive services to 18 to 24 year olds who are experiencing homelessness. HOPE Place staff and community partners provide on-site case management, including education and employment guidance, aimed at promoting self-sufficiency and long-term success.

Meeting Basic Needs

HOPE 4 Youth meets youth where they are using a four-fold approach: trauma-informed care, strength-based, client-centered, and harm reduction.

We do this through our HOPE 4 Youth Center by providing a safe place to rest, warm meals, grab and go food, hygiene products, a shower, laundry facilities, and more.

Empowered to Launch

HOPE 4 Youth provides youth resources, connections, training, employment readiness, and educational advancement.

We meet youth where they are by providing support and resources to launch them forward with the goal of leading them to be self-sufficient and experience long-term success.

74% of youth have obtained or maintained stable housing in the last six months.

83% of youth have developed healthier, better lasting relationships with family, friends, and other adults in the last six months.
