

Global The Source is proud to announce we are now a stocking distributor of Streamline® Line Sets, an industry leader for decades. Mueller Industries leverages their many years of experience and expertise producing copper tube in every line set they make.

Streamline®
A BRAND OF MUELLER INDUSTRIES 

10
YEAR
WARRANTY

LINE SETS

STREAMLINE® ADVANTAGES

- UL recognized to 700PSI
- Mueller copper tube reduces possibility of work hardening for better quality and reliability
- R410A and CO₂ engineered and tested
- 10 year warranty
- Made in USA
- Select PE Duraguard sizes offered in 164' lengths - Eliminates need for joints in long runs
- The PE Duraguard line sets have a tough coating that makes it tear resistant
- All line sets are insulated with one continuous piece of insulation

INSULATION

- Meets ASTM E84 25/50 flame and smoke rating
- Closed cell elastometric foam
- Resists mold and mildew
- PE Duraguard is UV Retardant
- PE Insulation marked every foot for ease of measurement

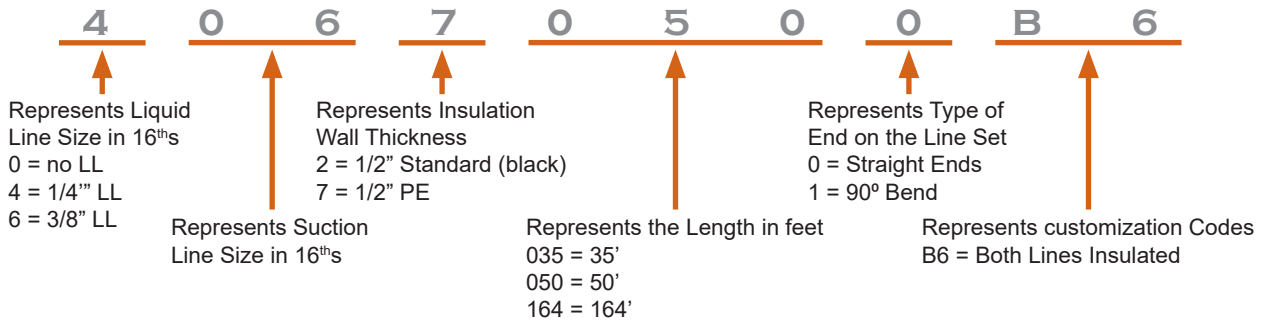

UL recognized to 700PSI*
