GLVC RECORDS BOOK PHASE I

This first edition is considered the first of two phases in compiling the GLVC Records Book. Phase I includes all-time standings, GLVC/NCAA Championships and results, GLVC postseason honors, GLVC academic accolades, and major year-end GLVC awards. Phase II will focus primarily on statistics, records, and regional/national honors.

GREAT LAKES VALLEY CONFERENCE

COMMISSIONER LOUIS STOUT (1978-83)

Louis Stout became the first Commissioner of the GLVC in 1978 and is believed to be the first African-American conference commissioner in NCAA Division II.

A former assistant commissioner at the Kentucky High School Athletic Association, Stout was charged with developing a strong conference by implementing rules and regulations for both coaches and officials.

In addition, he oversaw the addition of Lewis University as the conference's seventh member.

COMMISSIONER RICHARD SCHARF (1983-91)

Richard Scharf assumed the role of Commissioner on March 17 following the resignation of Louis Stout.

A "Founding Father" of the GLVC, Scharf served 42 years in a variety of roles at Saint Joseph's College, including Athletics Director from 1961-82.

As Commissioner, Scharf led the conference from seven to 10 members, oversaw the expansion of GLVC Championship competition, and secured the first NCAA automatic qualifying bids for GLVC women's sports.

Prior to the 1990-91 season, the Richard F. Scharf Paragon Award was established annually honor the GLVC's Male and Female Athlete of the Year.

COMMISSIONER KEN LINDSEY (1991-96)

Kenneth Lindsey was appointed the GLVC's third Commissioner after the retirement of Richard Scharf in July of 1991.

A former associate athletics director at the University of Louisville, Lindsey led the league through its first westward expansion, with the addition of Quincy, SIU Edwardsville and UW-Parkside in 1994 and Missouri-St. Louis in 1995.

COMMISSIONER CARL MCALOOSE (1996-2000)

Carl McAloose became the fourth -- and first full-time -- Commissioner in GLVC history in 1996.

McAloose was instrumental in moving the annual GLVC Men's and Women's Basketball Tournaments to a neutral site -- Roberts Stadium -- in Evansville, Ind.

McAloose also put forth a charge for the Conference to establish an official website that would promote the GLVC and its 12 members at that time.

COMMISSIONER JIM NAUMOVICH (2000-PRESENT)

Jim Naumovich is in his 14th year as the GLVC's fifth Commissioner. of the Great Lakes Valley Conference. He is the second full-time Commissioner in the league's 35-year history, and is responsible for the conference's 20 sports, 19 championship events, budgeting, promotions, and league administration. Previously the Athletics Director at Quincy from 1992-2000, Naumovich holds the distinguished honor of having served the league as commissioner longer than any of his predecessors.

During his tenure, the league expanded from 12 to 17 members, with the addition of Drury, Rockhurst, Missouri S&T, Maryville, Illinois Springfield, William Jewell, McKendree and Truman State. The league has grown to become the second-largest conference in NCAA Division II at 16 members and 20 sports.

Under his watch, football became the conference's 18th sponsored sport in 2012, while men's and women's swimming and diving was incorporated into the GLVC for the 2013-14 season as the league's 19th and 20th sports, respectively.

In addition, he has expanded staffing in the conference office with the hiring of three full-time staff positions and a full-time internship. He has secured grant funding to host various youth clinics at GLVC men's tennis, basketball, and softball championships, completed a five-year strategic plan, and moved the GLVC Basketball (Evansville, Ind.), Softball (Peoria, Ill.), and Baseball (Evansville, Ind.), Championships to neutral sites. He has also been an active member on several NCAA committees during his tenure.

*Sports Information Director became an official full-time position of the Conference office staff in 2006. However, the role of the part-time Conference SID dates back to the first appointee, Nanette Schuhmann, who was then the Publicity Director at Bellarmine College. Schuhmann served as the Conference SID from 1978-81, while Roy Pickerill of Kentucky Wesleyan College took over the part-time position from 1981-83. Joseph Jungblut followed Pickerill and remained in the role until 1989. Rick Meyers then served as the GLVC SID, primarily overseeing the publicity of men's basketball, while SIDs from member institutions were assigned sports to manage on behalf of the Conference office until 2006.

NACDA DIRECTORS' CUP STANDINGS

NACDA DIRECTORS' CUP

The NACDA Directors' Cup, presented by the National Association of Collegiate Directors of Athletics, is awarded annually to the nation's top athletic programs in Divisions I, II and III and a NAIA institution.

In Division II, points are awarded based on each institution's finish in up to 14 sports, seven for men and seven for women, and each national champion receives 100 points.

ALL-SPORTS TROPHY

The GLVC All-Sports Trophy, first presented following the 1981-82 season, is awarded to the institution that demonstrates the best all-around performance in the league's 18 sponsored sports.

Relative to the institution's final standing in each conference sport, a value of points equal to the number of competing institutions shall be assigned for first place, one point less for second, to one point for last place. In individual sports, the following rules shall apply unless addressed otherwise in the sports section of the GLVC Handbook: the number of competing institutions is the number that field teams with at least the minimum number of participants to count as a contest for NCAA purposes, teams with less than this minimum number of participants do not earn points for the all-sports trophy. If a conference tournament or meet is held, as many places as possible shall be determined by that result, with the remaining places to be determined by regular season standings, unless otherwise specified in a specific sport session. For ties, the values are added together and divided equally among the institutions which are tied. The methods of determining standings are listed separately for each sport in their respective sections of the GLVC Handbook.

Institutions participating in both the indoor and outdoor track and field championships will receive All Sports Trophy points based on the average score of their finish in both events.

COMMISSIONER'S CUP

The Commissioner's Cup, instituted prior to the 2002-03 season, is awarded to the institution that demonstrates the best all-around performance in the league's 18 sponsored sports.

Points are allocated for the Commissioner's Cup based on the athletic department's finish in the GLVC standings and conference tournaments in men's soccer, women's soccer, volleyball, men's basketball, women's basketball, softball and baseball. Each of the league's members sponsors these sports at the intercollegiate level.

Relative to the institution's final standing in each conference sport, a value of points equal to the number of competing institutions shall be assigned for first place, one point less for second, to one point for last place. In individual sports, the following rules shall apply unless addressed otherwise in the sports section of the GLVC Handbook: the number of competing institutions is the number that field teams with at least the minimum number of participants to count as a contest for NCAA purposes, teams with less than this minimum number of participants do not earn points for the all-sports trophy. If a conference tournament or meet is held, as many places as possible shall be determined by that result, with the remaining places to be determined by regular season standings, unless otherwise specified in a specific sport session. For ties, the values are added together and divided equally among the institutions which are tied. The methods of determining standings are listed separately for each sport in their respective sections of the GLVC Handbook.

RICHARD F. SCHARF PARAGON AWARD

The Richard F. Scharf Paragon Award was established prior to the 1990-91 season in honor of Richard F. Scharf, Commissioner Emeritus of the GLVC.

The Richard F. Scharf Paragon Award is awarded annually to one male and one female student-athlete, based upon academic excellence, athletic ability and achievement, character and leadership.

These individuals represent the best student athletes the GLVC has to offer.

Prior to the Richard F. Scharf Paragon Award's inception, from 1985-1989, the Paragon Award was the award given to the player of the year in each GLVC sport.

DR. CHARLES BERTRAM ALUMNI OF DISTINCTION AWARD

The GLVC and the University of Southern Indiana lost a great leader, friend, and fan on June 29, 1999. Dr. Charles Bertram, professor and faculty athletics representative at USI and former president of the GLVC, contributed a great deal of time, energy, and effort to the league's success and was instrumental in conference operations for many years.

In remembrance of him, the GLVC established the Dr. Charles Bertram Alumni Award of Distinction in 1999.

This award is based upon academic excellence, athletic ability and achievement, character, and leadership of former GLVC student-athletes who have served their institution with personal distinction since their graduation. Postgraduate public or community service, and/or contributions to athletics at any level, are considered during the voting process. Recipients must have graduated at least 10 years prior to receiving the award.

DR. THOMAS KEARNS SERVICE AWARD

The GLVC Service Award is named in honor of Dr. Thomas Kearns who was Northern Kentucky's faculty athletic representative for 23 years and provided unparalleled service to the GLVC during that period. Kearns served the GLVC as both treasurer and president during his tenure at NKU and assisted with the budget reporting system and the current revenue sharing policy. He spearheaded the league's first major expansion, wrote the GLVC Hall of Fame guidelines, served on the initial GLVC Awards Committee and developed and maintained the GLVC Handbook. Kearns spent countless hours developing the GLVC into one of the premier NCAA Division II athletic conferences.

In honor of Dr. Kearns, the Service Award is presented to an individual or group that has contributed to the success of the GLVC as it relates to the NCAA Division II attributes of learning, balance, resourcefulness, sportsmanship, passion and service.

**KEARNS SERVICE AWARD RECIPIENTS**

2011	Kevin Listerman, Northern Kentucky
2012	Eric Hess, SIU Edwardsville
2013	Dave & Lois Stevens, GLVC/Southern Indiana Volunteers

SCHOLAR-ATHLETES OF THE YEAR

Each semester, the league selects one student-athlete in each conference sport to be designated the GLVC Scholar-Athlete of the Year. The award is based upon athletic accomplishments, both team and individual, and academic performance in the season upon which the award is based. Each conference member has the opportunity to nominate one individual from its team for the award. Nominees must have a cumulative grade point average which meets Academic All-America standards (3.30), and freshmen and first-year transfers are not eligible for the award. The voting is completed by each member institution's Faculty Athletic Representative (FAR).

COUNCIL OF PRESIDENTS' ACADEMIC EXCELLENCE AWARD

The honorees of the GLVC Council of Presidents' Academic Excellence Award exemplify the outstanding student-athletes in the GLVC. Each honoree has exhausted his or her eligibility in the intercollegiate sport in which they participated and maintained at a least a 3.5 grade point average throughout their academic career. In addition, to be eligible for the award, the student-athlete must have competed in the GLVC for a minimum of two years and completed 96 credit hours. A student-athlete can only earn the distinguished honor one time in his or her career.

SPORTSMANSHIP AWARDS

In an effort to promote the good sportsmanship demonstrated throughout the Great Lakes Valley Conference, the league introduced the initiative in 2007 to support and promote the GLVC sportsmanship philosophy.

In addition to awards presented to the institution whose teams are recognized by their peers as best representing the sportsmanship ideals, one team and two individuals, one male and one female, are recognized at the end of the year as best meeting the criteria established for the NCAA Sportsmanship Award. These individuals are nominated by their respective schools and voted on by the school's Student-Athlete Advisory Committee. Winners will be announced at the spring SAAC meeting in St. Louis, Mo.

SAAC CHALLENGE TROPHY

Each academic year, the GLVC awards the institution with the most points a traveling trophy. This trophy signifies the effort and hard-work that each campus puts forth to raise money for Make-A-Wish, supports academic excellence, good sportsmanship, community engagement, and team pride. This trophy is awarded at the Spring SAAC Conference.
