Verbs, Themes and Company - Verbs, Themes and Company By Anzeigen Vollständig... After the adventures of the Love... La. Where we find a hero at the heart of the French... The new reader discovered using the first volume of Words, Topics and Co. sentence with its main components: verb (different types, its conjugation), subject, various additions, title, determinant, adjective and adverb. In this second volume, the reader will rise to the occasion, and always explore in an active and playful way, the various types of expression and registers in French, which makes it rich and subtle. In the village of Word, it's routine: locals are bored! They entrust love to a mission that visits other nations that act differently from them. Therefore, our hero will go to meet 26 nations, such as 26 alphabet letters; to each of these peoples with Each time, Loving will learn grammatical lessons that will also hold a life lesson. INDISPENSABLE PLAYY FAÇON, This comment applies to this edition: Verbs, Themes and Company (Broché) A new way to learn grammar. Everything I learned in elementary school seemed to be dauzing me. This book is a story for children that immerses you in a story with verbs, themes, adjectives.... We learn grammar with pleasure and illustration reminds us of a comic book. Not to be missed under any prétexte... une approach to grammar My daughters loved this book, which left them with a lasting imprint of chords and simple rules. We bought it after we did it bibliothèque... attention To make kids love and understand grammar, my son is a little lazy, I needed to find ways - boring to learn that school I hope it will work (I just bought it) Fantasy..., all of us! Play with sentences, dissecting them, hecking them, decorating them, contorting them, transforming them... In Words, Themes and Company is another journey with Word Love so endearing, always ready for all adventures. We meet here a host of amazing characters, funny, weird, pranksters, disturbingly, who teach us to reinvent our sentences, master their form as much as their meaning, express themselves in many different ways, in short, use French as a magic wand! Quiz, games, fun exercises, challenges... is not always easy! A beautiful book that forces us to discover an exciting French language, full of surprises and riches, about playful learning, far from boring textbooks that we knew... As amazing and informative children as it is to their parents. Success story! Quelle success! A new book that allows us to learn French in a fun, fun and exciting way. Book for all ages 7 to 77 years. Of course, this author (Daniel Gostain) excites us with every new book after his 2 hits Mat and my tic and verbs, themes and company Très also it's a well-imagined, beautifully illustrated, original and fun, practical exercises that require a little effort if we really want to make progress in this area. I offer it to my grandchildren. Kommentar hinterlassen... Kommentar hinterlassen... DELF B1-B2 language connectors write well and argue! Origin of the problem (OK): Vollständig anzeigen... For a while... Year after year... There is a lot to talk about... There is a lot of talk right now about... 2. To begin with: The first note will be about... First of all, we must remember that... We're going to start with... Let's quickly solve the problem... 3. To emphasize: Don't forget that... It should be noted that... It should be noted that... We have to insist that... Let's remember that... Not only... But... Also... Especially since... 4. Announce a new P now have to ask the question about... Now let's turn to the question... After stressing the importance of... 5. Note a number of ideas that express the consequences: P with... So... As well as... Also (inverting the theme)... Then... As a result... So... Where... 6.
