#STAYATHOME

# TRIVIA NIGHT

## HOW IT WORKS

### ROUND 1: GENERAL TRIVIA

- Each question will be repeated twice and copied in the group chat. They'll be repeated at the end of the round too. Each correct answer is worth one point.
- Record your answers – we recommend good ole pen and paper
- Don't answer in the chat!
- There will be a refill/bathroom break.
- Richard will read out the answers.
- We'll ask for a show of hands to gauge how you did and ask that the top scorers private message the moderator.
  - Desktops, do this by clicking "Reactions" on the bottom of your window.
  - Mobile users, do this by clicking "More" on the bottom right of your phone screen.
- Top scorers will be entered to win a prize!

### Round 2: Music Round and Other Shenanigans

- Guess the song title and artist based on a short music clip. Each correct answer is worth one point.
- Richard will play each clip twice and once more at the end.
- Record your answers – we recommend good ole pen and paper
- Don't answer in the chat!
- There will be a refill/bathroom break.
- Richard will read out the answers. We'll ask for a show of hands to gauge how you did and ask that the top scorers private message the moderator.
  - Desktops, do this by clicking "Reactions" on the bottom of your window.
  - Mobile users, do this by clicking "More" on the bottom right of your phone screen.
- Top scorers will be entered to win a prize!

### Round 3: Photo Quiz

- Richard will share a set of related images. You need to be able to name the movie, actor or whatever he's feeling that week in each image. Each correct answer is worth one point.
- Record your answers – we recommend good ole pen and paper
- Don't answer in the chat!
- There will be a refill/bathroom break.
- Richard will read out the answers. We'll ask for a show of hands to gauge how you did and ask that the top scorers private message the moderator. Desktops, do this by clicking "Reactions" on the bottom of your window. Mobile users, do this by clicking "More" on the bottom right of your phone screen.
