

## MOTORIZED TRANSPORTATION REQUEST FORM

As a general rule, with the exception of Senior Amateur Championships, players and caddies must walk at all times during a stipulated round and are prohibited from using automotive transportation. This rule also applies during Golf Canada qualifying rounds except in the case of a shuttle that the Committee has provided by Local Rule. Players and caddies may use pull carts unless the club/course has a policy prohibiting their use. However, Golf Canada recognizes that there are circumstances where exceptions will be made. Exceptions include those situations where anyone (including a caddie) seeking a golf cart due to a serious permanent disability has been granted permission to use a cart. Granting of the use of a cart can only be made by Golf Canada from its offices in Oakville, Ontario. Temporary disabilities do not qualify under this exception and therefore use of a cart will not be granted by Golf Canada.

In each instance where an applicant is submitting a request for a golf cart, **both the relevant Golf Canada Championship entry application and the cart request form (including the required medical documentation as specified on the cart request form) must be submitted to Golf Canada by the player (not a caddie) in writing in a single envelope and received by Golf Canada, no later than the date the Championship entry application is due.** Such information should be sent to Golf Canada and to the attention of the Director of Rules and Competitions:

Golf House  
Suite 1  
1333 Dorval Drive  
Oakville, Ontario  
L6M 4X7

Golf Canada will not evaluate requests submitted via telephone or over the internet or without all required documentation having been submitted in its entirety as part of a single submission.

Any player wishing to receive permission for his or her caddie to use a golf cart must submit a cart request form and the required medical documentation at the same time the player submits his or her entry application. **Golf Canada will not accept requests directly from caddies.**

Applicants seeking to use a golf cart in more than one Golf Canada Championship during a given season must submit each such request individually in writing together with the Championship application form, prior to the date the relevant Championship application form is due but need only include the required medical information with the first request, provided no change to the relevant medical condition has occurred in the intervening time. Golf Canada will evaluate the medical information previously submitted on the person's behalf during the same Championship year provided it is current as of the relevant submission and was otherwise submitted in accordance with the procedures outlined above.

Please note that requests due to "temporary" injuries or impairments that do not qualify as a "disability" will not be granted.

I certify that the information supplied above and in any attachments is true and correct to the best of my knowledge and belief.
