

Veteran Employment Program

For Vets. By Vets.

Goodwill Southern California (GSC) has established a program dedicated solely to assisting veterans throughout Los Angeles. We offer assistance to all veterans whose service spans a number of campaigns including Vietnam, the Persian Gulf, Iraq and Afghanistan. Unemployed veterans benefit from a host of services delivered via Universal Access, Core and Intensive Services. Program Specialists, former vets themselves, are uniquely qualified to respond to and address the special needs of those who have served our country and now face the challenges of reintegrating into a civilian world currently suffering massive unemployment rates; to advance beyond their military careers and regain a sense of pride, dignity and purpose.

The VEP offers skills assessments, one-to-one career counseling, employment preparation courses, educational and technical skills classes, and work tools as well as access to a host of other partner services including shelter and housing assistance, transportation assistance, medical and dental health services, mental health and substance abuse counseling, Veterans Benefits Assistance and more - all aimed at helping veterans secure meaningful and sustainable employment.
