Coping With Confidence:
Tips and Techniques for Managing Treatment-Induced Rash

Saturday, May 3, 2014
6:00 AM - 7:30 AM
Anaheim Marriott
Marquis Ballroom Center
700 West Convention Way
Anaheim, CA

Overview
This CE/CME-certified symposium will feature a multidisciplinary panel of world-class experts in the care of dermatologic rash encountered during the treatment of cancer, including oncology nurses and a dermatologist. Faculty will discuss targeted agents that result in rash and other dermatologic events, assessment and grading guidelines, mitigation and management strategies, and patient communication and quality-of-life issues. Additionally, case scenarios reflecting common clinical challenges will be presented, followed by an interactive Q&A session.

Target Audience
This educational activity is directed toward all attendees of the Oncology Nursing Society’s (ONS’s) Annual Meeting, as well as other advanced practice nurses, oncology nurses, registered nurses, and other members of the healthcare team who treat and manage patients with cancer.

Learning Objectives
- Review targeted agents that have the potential to cause a rash
- Summarize dermatologic assessment and grading guidelines
- Discuss techniques for early intervention to mitigate treatment-induced rash
- Evaluate clinical approaches outlined in consensus guidelines for patients with treatment-induced rash

Accreditation/Designation of Credit
PHYSICIANS: Physicians’ Education Resource®, LLC, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Physicians’ Education Resource®, LLC, designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES: Rutgers, The State University of New Jersey, Center for Continuing and Outreach Education is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Provider Number P173-12/12-15. This activity is awarded 1.5 contact hours (60-minute CH).

Why you can’t miss this symposium:
- What nurses need to know regarding management of chemotherapy-induced rash
- Nursing perspectives on patient communication and improving quality of life
- Receive a dermatologic grading and assessment tool to enhance patient care
- Participate in an interactive, case-based discussion that includes world-renowned physicians and nurses in dermatology and patient care
- Bring your iPad, laptop, or mobile device to allow you to send the faculty questions, take notes on presentation slides, and email slides to yourself for continued learning after the activity
