

WELCOME! This morning we're concluding a study of four new realities that accompany a life of faith in our current period of time, the Church Age. The apostle Paul described believers in Jesus as being "released from the law, having died to that which held us captive, so that we serve in the *new way*" with significant differences from all that came before. Thank you for joining us in worship today!

Believers BAPTISM

- » **WHO:** Anyone who has placed their faith in Jesus and wants to follow Him
- » **WHEN:** Next opportunity is Sunday, June 8 during worship
- » **DETAILS:** Water baptism is a practice with ancient roots, which remains today as a way for believers in Jesus to follow His example and demonstrate their faith in a public way. Baptism is rich with symbolism and especially reflects the new life given to those who have a personal relationship with Jesus as their Savior. If you are ready to take this next step on your journey, we'd love to meet with you, hear your story, answer any questions you might have, and get you on the schedule to be baptized during worship.
- » **NEXT STEPS:** Let us know you'd like to be baptized by signing up for a date and time online in Church Center. *Limited capacity is available per service.*
