

## Welcome

We're glad you've joined us for worship this morning as we continue *Glimpses of Glory*, a new summer study of Jesus' miracles.

While you're here, feel free to visit a Bible Fellowship upstairs or get more information about other activities from our Summer Guide, which is available at the Welcome Center or most exits.

If you have any questions, please visit with a member of our Welcome Team in the Main Hall after the service. Again, we're glad you're here!

Enjoy a light lunch and conversation with other women in the Grace Church family. Bring your favorite salad to share. **June 30, 11:30–1:00 in the Tejas Room** ⓘ 📖

# Discussion Questions

- I. Why would it be important for Matthew to compare Jesus to Moses? How would this affect a largely Jewish audience (to whom this gospel was addressed)? What does it tell us about Him?
- II. The leper in this story approached Jesus and asked not that Jesus would heal him, but that he would cleanse him. Why do you think this distinction is significant?
- III. He also asked Jesus to do so if He was “willing.” What does this tell us about the leper’s attitude? What about his priorities?
- IV. In touching the leper, Jesus not only cleansed him, but He made Himself unclean. What does this show us about the Messiah? How does this fit in with the theme of Christ’s first coming?
- V. Consider again what it is that makes us unclean. Where in your heart or in your speech do you see uncleanness manifest itself? How have you seen these things cause separation between you and your community of believers?
- VI. Consider 1 John 1:9. What would make this process of confession and reconciliation difficult for you with where you are right now? Why is reconciliation with the people that your sin hurts often difficult?

*These questions are designed to facilitate further discussion of this morning’s topic in small group settings such as K-groups or over dinner with family and friends. We hope you find them helpful to your spiritual growth.*
