

Welcome

We're glad you've joined us for worship this morning as we continue *Glimpses of Glory*, a new summer study of Jesus' miracles.

While you're here, feel free to visit a Bible Fellowship upstairs or get more information about other activities from our Summer Guide, which is available at the Welcome Center or most exits.

If you have any questions, please visit with a member of our Welcome Team in the Main Hall after the service. Again, we're glad you're here!

Discussion Questions

- I. What traits or characteristics of Jesus' do we see displayed in this passage? Where in your life have you observed those aspects of God's power or character?
- II. What do you think Peter must have been thinking when Jesus told him to cast his nets in deep water? Have you ever found yourself feeling like what God calls you to do seems almost pointless or futile? What might cause you to think that way?
- III. What do you think it was in Peter's mind or in his heart that caused him to fall down before Jesus upon getting this glimpse of His glory? How do you think Peter's heart had been prepared for that moment?
- IV. What might it look like in your own life to prepare your heart for worship at the sight of God's power? When has God displayed His power in your life? What has been your response in those times?
- V. After performing this miracle, Jesus tells the disciples that they will now be "catching men." Why do you think it was important that Christ first performed this miracle before telling them they would become fishers of men? What do you think He was showing them about Himself and about that mission?
- VI. Look at the response of the disciples when Christ called them. Perhaps God isn't calling you to leave your job or your home, but when He does call you to something, do you display this same kind of obedience and willingness to follow? What might that look like in your life?
