Discussion Questions

- I. Do you consider yourself a disciple of Jesus? What does that mean? How might you describe that to someone who doesn't know anything about discipleship? Simply as a "believer?" As a student? An apprentice?
- II. Jesus reminded the scribe that following Him would be dangerous and uncomfortable. Where in your life does discipleship challenge you in your comfort zone?
- III. One disciple asked Jesus to let him go and bury his father before following Him. His father had likely been dead for a long time, and he was letting a cultural tradition keep him from following Jesus. Where are the pressures of today's culture keeping you from truly following Jesus? How?
- IV. The same disciples who saw Jesus perform all kinds of miracles were confused and almost upset with Jesus when He fell asleep in the storm. In times of chaos, what is your attitude towards Jesus when He seems detached from what you're going through? In those times of Jesus's apparent detachment, do you recall the times when He provided for you? Do you panic? What is your response?
- V. As a disciple—a learner—how do you see God preparing you to move into a dangerous and uncertain world?

Community News

Community Impact Team report

The Grace Church Community Impact Team oversees our support of other ministries in the Wichita Falls area. We are glad to stand alongside these organizations as they meet the needs of others.

We recently sponsored the local troop of Trail Life boys in a walk-a-thon to support the Pregnancy Help Center. This gave us an opportunity to teach young men the importance of community involvement while supporting the work of the Pregnancy Help Center.

Summer Nights@Grace was a great time with good friends and big splashes—thanks to everyone who helped make it a success!
