Grace Church

June 2, 2019

Today we conclude our series *Known, Prepared, and Launched: Family as a Paradigm for Church*, a study of how the local church is designed to function, live, and serve alongside each other. We're glad you've joined us as we gather together in worship today!

News & Family Matters

A Note about Bible Translations

Our leadership team are sometimes asked which Bible translations we use on Sunday mornings or would recommend to our church family. We currently teach from one of two versions which we believe offer the best and most accurate translation of the original languages: the English Standard Version (ESV) or the New King James Version (NKJV).

Whatever version you've brought with you this morning, though, you're ready to study and learn with us! If you need a Bible feel free to take one from the carts at the back of the room—both translations are available.

Staff Addition

Beginning July 1, Joe Cook will be joining our pastoral staff as a member of our adult ministry team. Joe and Lynette have been in our church family for several years and he has already been actively involved in teaching and caring for our church family, in addition to his experience as a Hospice chaplain.

Child Dedication

During the worship services today, several young families are committing themselves to raising their children in light of God's love and grace. Please join us in supporting and praying for them.

Lesson 7: Launched — Living it Out

Stephen George, President of Asian Christian Academy

Notes:

Stephen George became the President of the Asian Christian Academy of India in August of 2018. He is married to Rachel, who leads a ministry for children with autism. They live in South India on the campus of the Asian Christian Academy with their two children.

Asian Christian Academy

The mission of ACA is to provide Christian education in the Indian context. Grace Church began specifically working with ACA in 2010 to support their home for destitute children, K-10 school for rural students, low-cost medical clinic, and evangelical seminary. In addition to prayer and financial support, we send medical and teaching teams to ACA on a regular basis.
