

Welcome

We're glad you've joined us this morning! Feel free to check things out and determine whether we might be a good match for you. We're here to help at your invitation—you set the pace.

When you're ready for the next step, consider checking out an additional Sunday activity like Bible Fellowships or Community Groups, or a mid-week study that interests you. There are many great ways to connect with others in our church family each semester as you grow in your relationship with Jesus. Pick up a *Guide to Grace Church* as you leave for more details!

News and Family Matters

The following articles of our doctrinal statement have been recently modified or added in order to better reflect what the Bible teaches about certain issues. You can view a complete statement online at gracechurch.com/beliefs.

The Creation

We believe that Genesis 1-11 is factually true and not mythical. Consequently, we believe that the cosmos, including man, is the product of God's creation out of nothing (creation ex nihilo), and not the result of naturalistic or theistic evolution.

Genesis 1:1-2:3; Job 38:1-7; John 1:1-3; Colossians 1:15-17

Human Life

We believe that man was created in the image of God, and that human life begins at conception, although it is dependent and undeveloped. Throughout the stages of its development and deterioration, all human life is eternally sacred in the eyes of God.

Genesis 1:26-28; Psalm 139:13-16; Luke 1:39-44

Sexuality and Gender

We believe that God has created two distinct, yet complementary and equally valuable, genders within the human race. He determines whether an individual is male or female according to his or her genetic make-up.

Genesis 1:26-28; Psalm 139:13-16

Marriage

We believe that marriage is a covenant of companionship between one person who is a genetic male and one person who is a genetic female, which establishes a one-flesh union. Any other type of union does not comply with the Bible's definition of marriage.

Genesis 2:24; Matthew 19:4-6
