

If you have any questions about how these changes might affect you, please ask any member of our staff or contact the office for more information. We're glad you're on this journey with us!

The Connecting Hour (9:30-10:30) will offer a variety of ways to connect with others in our church family. You'll be able to serve together in different ministry areas, engage with somebody over a fresh cup of coffee, or study and grow in Bible Fellowships for children, students, and adults. For families with children age 3 and under, nursery care will be available all morning long. Older children should join their family for worship, with those in third grade and below optionally being dismissed to an age-appropriate Bible lesson during the later service (around 11:05).

Both worship times will feature the same Bible teaching and music, although the service in the Chapel will have a more acoustic feel due to the nature of the room.

LIGHT OF THE WORLD

The Reflected Light

Welcome

We're glad you've joined us this morning for worship!

Today we conclude a month-long journey that led us to remember and celebrate the birth of Jesus — God with us as a human child — on Christmas Day.

During our time together this morning we will sing, study, and consider several topics from our time together in 2019 as we examine how we can reflect the glory of Jesus, the **Light of the World**, toward others around us.

If you'd like to know more about Jesus and what we believe about Him, pick up a Guide to Grace Church at any exit as you leave today. It also contains answers to many questions you may have about our church family.

Again, thanks for being with us today!

This Morning

I. **Known, Prepared, and Launched**

This spring study looked at the family as a paradigm for church, helping us visualize how the local church is designed to function, live, and serve alongside each other.

II. **Dreams, Detours, and Destiny**

Our summer series was an opportunity to study God's faithfulness to Joseph, and ultimately His people Israel, through all of the twists and turns of Joseph's story.

III. **Light in Troubled Times**

In the fall, we learned that the book of James was written as a survival guide for believers facing difficult trials, a context which is key to understanding some of the book's concepts.
