

Lord, the God of My Salvation

PSALM 88

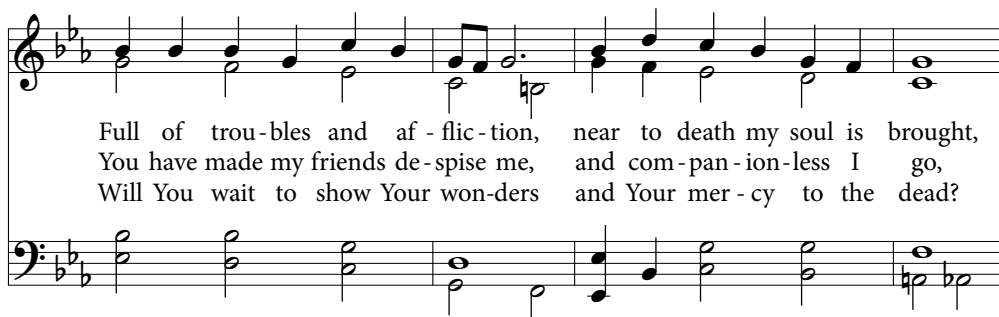

Unison

1. Lord, the God of my sal - va - tion, day and night to You I cry;
2. You have brought me down to dark-ness, in Your wrath I am op-pressed;
3. Un - to You with hands up - lift - ed dail - y I di-rect my cry;

hear my prayer for Your ac - cept-ance, let Your mer - cies mul - ti - ply.
all the waves of deep af - flic - tion o - ver-whelm my soul dis-tressed.
hear, O Lord, my sup - pli - ca - tion; hear and save me, or I die.

Full of trou-bles and af - flic - tion, near to death my soul is brought,
You have made my friends de-spise me, and com-pan-ion-less I go,
Will You wait to show Your won-ders and Your mer - cy to the dead?

help - less, like one cast for - ev - er from Your care and from Your thought.
bound and help-less in my bon-dage, pin - ing in my bit - ter woe.
Let me live to tell Your prais-es, by Your lov - ing-kind-ness led.
