Name _____

- A. Practice writing notes on the staff. Using open noteheads, write notes on every space, then on every line.

- B. Write a five-note stepwise ascending melody that begins on the first line, then a five-note stepwise descending melody that begins on the fifth line. Remember, lines are counted from the bottom up.

- C. Write an eight-note stepwise ascending melody that begins on the third space (you'll need to use ledger lines).
