LATE PICK UP FEE

PICK UP/DROP OFF PROCEDURES

Students attending the Before & After School Care will be picked up and dropped off at the Family Activity Center doors. Please knock on the door and a Before & After School Care teacher will let you into the building. A parent or another appointed adult must check in/sign out a child each time.

CHECK IN/CHECK OUT PROCEDURES

The safety of our students is of our utmost importance. Therefore, children **MUST** be checked in and out by a parent or approved adult. When checking in or out, there will be a daily attendance roster parents/guardians need to sign. If there are any changes in the days you originally signed up for, please notify the office as soon as possible. This is to ensure our daily attendance roster reflects accurate names and numbers for that day.

SNACKS

If your child is attending After School Care, you may choose to send your child with a small, healthy snack for that day. Snacks will not be provided. Please do not send any foods or drinks that require spoons, straws, etc.

MEDICATIONS

Our Before & After School Care staff will not have access to medications in the main office. If your child requires medication during these times, please give it to the office ahead of time with instructions for administration during Before & After School Care.
