

“reNEWed”

Psalm 51:9-12

1. Happy New Year. I sincerely hope that it will be!
2. Sometimes we spend so much time with the baggage we carry and a life that is stained with sin that we fail to appreciate how happy the new year can be.
3. In Psalm 51, David wanted more than anything else to be “renewed” in his relationship with the God of Israel.
4. Here are three things from Psalm 51 that can make 2020 the happiest new year you’ve ever had.

I. Let God _____ you.

II. Let God _____ you.

III. Let God _____ you.
