

“Wash & Be Clean”

2 Kings 5:1-15

1. Grace, in Christian terms, is the freely given, unmerited favor of God. It is pictured in many ways demonstrated in the character of God as well as in the people faithfully serving Him. If we wish to see Jesus more clearly, we need to get a better picture of His grace.
2. We studied last week with the picture of grace that defined it like this: Favor bestowed when wrath was owed.
3. As we look at Naaman the leper this week, we are working from this definition: Grace is a _____ that must be _____.
4. Note some principles of a grace that must be received by faith. In seeking to receive a cleansing grace:
 - I. Some _____ to the _____ (2 Kings 5:5-7)
 - II. Some are _____ for the _____ (2 Kings 5:8-12)
 - III. Some need _____ to be _____ (2 Kings 5:13-14)
 - IV. Some _____ (2 Kings 5:14)
 - V. Only the _____ will be _____ (2 Kings 5:14-15)
