

# “Quotation Marks: The Words of Jesus” (2)

John 6:63

---

1. In Ecclesiastes 9:17, Solomon said this, “*Words of the wise, spoken quietly, should be heard rather than the shout of a ruler of fools.*” What a reminder (especially in an election year!).
2. We have the mind of God open to us every time we open our Bibles and begin to read. What He says over and over is this: *I want you to be wise: in your attitudes, in your thoughts, in your deeds, and in your words.*
3. We could do little better than to hear the words of Jesus when He spoke to man’s deepest needs and greatest problems.
4. Consider how the words of Jesus will help:

I. In \_\_\_\_\_ & \_\_\_\_\_: “\_\_\_\_\_ do not  
\_\_\_\_\_ what \_\_\_\_\_ you are \_\_\_\_\_.”

II. In \_\_\_\_\_: \_\_\_\_\_ from \_\_\_\_\_ you can do  
\_\_\_\_\_.”

III. In \_\_\_\_\_: “Go \_\_\_\_\_ to your \_\_\_\_\_, and  
\_\_\_\_\_ what \_\_\_\_\_ the  
\_\_\_\_\_ has \_\_\_\_\_ for \_\_\_\_\_.”
