

# “A Testing Ground of Faith”

Isaiah 31:1-3

1. Out of all the places God could have picked for His covenant people to live under the old system, why did He choose Palestine?
2. People choose places to live based upon geography, culture, economy, luxury, society and a number of other factors.
3. Why God chose Israel might have had factored those things, however, even more so, God chose the land of Palestine because He wanted His people to have a land that they would trust in Him!
4. Consider some facts about Israel that are worth our consideration as people living under the New Covenant:

I. A Land of \_\_\_\_\_

II. A Land of \_\_\_\_\_

III. A Land of \_\_\_\_\_

IV. A Land of \_\_\_\_\_
