

1. One man said, “never judge a man till you walk a mile in his shoes.”
2. As we study along in the gospel accounts, we will invariably run across people and titles that we might or might not recognize.
3. It is worth it to take some time and discover some facts about the antagonists of Jesus known as the Pharisees and scribes.
4. That way, we will understand why they criticized certain things, why they were especially offended His ways, and why certain events really seemed to trigger them.

Pharisee comes from a root word meaning: _____

- They wanted _____ with the _____
- Their purpose was to _____
- They were _____ of the _____
- This showed itself in a “_____ than _____” attitude

Scribes were an _____ company

- Their job was to _____ the _____
- When questions came up, they proved themselves
 - _____
 - _____
 - _____ in _____
- This showed itself in _____ over others

Why was Jesus such an offense to these people?

I. He _____ their _____ (Luke 11:37-54)

II. They desired to simply _____ as opposed to _____ (Luke 20:45-47)

III. Their _____ them to the truth of _____ and His _____ (5:20-6:11)
