New Business

A. Discussion of the property appraisal of 715 Robbins Road conducted by Great Lakes Appraisal Company

Menerick questioned letting Capstone know the appraisal amount when we had not renewed the contract with Capstone for 2018. The minutes of the December 5, 2017 meeting were reviewed. The Consent Agenda included item B: "Approve a listing agreement with Capstone Realty of Grand Haven through December 31, 2018, for marketing the Robbins Road Parcel." Martin had included his recommendation to renew the listing agreement with Capstone through 2018 in a memo (board packet pages 5-6). The minutes reflect that Menerick moved, supported by Bulthouse, to approve the Consent Agenda. The motion carried 8-0. Menerick stated that she thought "through December 31, 2018" was a typo and that she thought she was approving the listing with Capstone through December 31, 2017. De Young reminded trustees to carefully read the Consent Agenda.

Several trustees expressed concern with how Capstone is marketing of the property and the rate Capstone is charging. Menerick stated that her intention was to let the listing agreement with Capstone expire, have the Property Sale Workgroup review the appraisal, solicit additional realtors, and come to the board with recommendations. Martin stated Capstone believes they may have a potential buyer.

The Property Sale Workgroup will meet on Monday, January 15, 2018 to discuss how to proceed with the marketing and sale of the property and bring recommendations to the board.

Treasurer's Report

The November 30, 2017 General Fund, Maintenance Fund, and Debt Service Fund Financial Reports and the November 30, 2017 Bank Account Report were received and discussed.

Brooks noted that the personal property tax payment from the state was more than projected. The overtime budget increased because the Christmas and New Year Day holidays fell on Mondays. Staff was given overtime instead of floating holidays to ensure proper staffing levels while the library was open during the holiday season. Overtime staff hours were also required for the 50th anniversary event.
