Discussion of an inquiry on the Robbins Road Property

De Young presented a summary of a meeting held earlier on March 6 with Josh Brugger and Field Reichardt regarding a conceptual use of the Robbins Road property for multi-use housing. This project would involve the library as part of the development process and would take several years. It was an interesting concept, but De Young could not recommend it.

18-017 Moved by Belter, supported by Osmun, to counter the purchase offer from Barry LaFreniere as amended for the Robbins Road property. Motion carried 7-0.

The consensus was to counter the offer with \$659,000 as the purchase price, along with the following contingencies:

- The buyer is prequalified.
- The buyer is aware of the deed restrictions on the property.
- The library will make available the Phase I Environmental Site Assessment, but if an update is desired, the buyer agrees to pay for an assessment.
- Any subdivision of the property is the responsibility of the buyer.
- The buyer deposits \$30,000 in earnest money, which will be forfeited if the buyer defaults.
- The brokerage fee is 5%, per the listing agreement.
- The library may consider other purchase offers.

Trustee Comment.

Lannon reported on the trustee presentation to the Grand Haven Township Board. Bulthouse stated that the February naturalization ceremonies went very well. Menerick suggested sending a thank you to the USCIS for allowing the library to host the ceremonies. Belter suggested that Martin see if there would be any recognition for Loutit District Library by the Michigan Library Association, since LDL appears to be the only library in the state (other than the Ford Presidential Library) that hosts the ceremonies.

Menerick and Lannon will be absent for the April board meeting.
