

GCHS
Green County Humane Society

Each year, hundreds of companion animals come through our doors: scared, abused, alone, waiting for the love they deserve. Your membership helps each animal get a new start by providing food, veterinary care, foster training, and socialization while they await their forever family. We ask that you consider becoming an Annual Member so we can continue to provide the best care possible for the dogs and cats still waiting.

Or, consider becoming a Monthly Supporting Member. Supporting members help not only with our animal services at the shelter, but also allow us to offer additional programs such as: spay and neuter clinics, vaccination events, microchip drives, and community outreach programs.

Membership benefits include voting rights at the Green County Humane Society Annual Meeting, email updates, invitations to special events, and the benefit of knowing that you are helping to support some very special animals. We hope we can count on you to help support the future of the shelter.
