A Gap in the Business World = A Great Opportunity for Project Management Professionals

By 2027, employers will need

87.7 million

individuals working in project management oriented roles.

2017   2019   2021   2023   2025   2027

There are several catalysts for the gap:

By 2027, employers will need 87.7 million individuals to work in project management roles.

A PMP-certified project manager earns 23% more on average.

The PM industry is projected to grow by $6.6 trillion by 2020.

Bridging the Gap While Helping Project Management Professionals Advance Their Careers
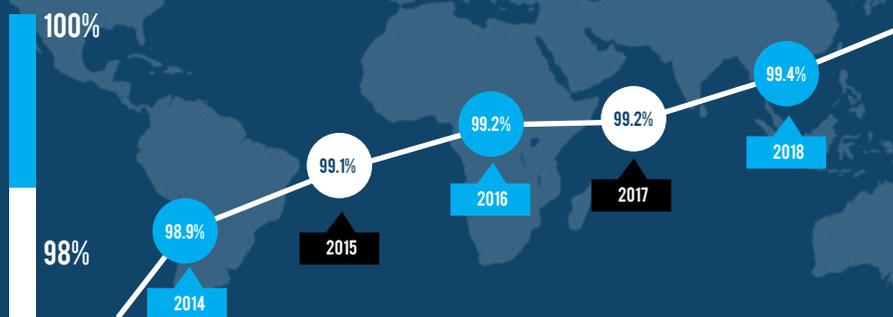

GreyCampus' PMP Certification Program is designed to bridge this gap by making the training more available to individuals so organizations worldwide can have access to more qualified project management professionals.

Meanwhile, our students can obtain the necessary qualification to advance their careers, take on more challenging projects, and boost their salaries.

This 4-day instructor-led intensive program is aligned with the PMBOK® Guide - Sixth Edition and follows the outline of the PMP Certification exam. In addition, GreyCampus is a PMI Registered Education Provider with a global success rate of 99.7%.

GreyCampus' Pass Rate

We derive our success rate statistics by tracking the number of our students who were unable to pass the exam and comparing that number to our total enrollment figures.

A PMP® training program built on knowledge and experience

Our PMP-credentialed Instructors combine practical skills with extensive industry experiences to make the theories come to life.

The full-spectrum learning components are designed to help students of different learning styles better retain the information and apply them with confidence.

The training program includes everything you need to succeed:

1 ▸ Live-online, classroom & self-learning training formats.

2 ▸ Video recording of all the classes, available for a full year.

3 ▸ One full-day hands-on mock exam solving session.

4 ▸ 1-year access to the PMP self-learning course with additional videos, practice questions, simulated tests, and more.

5 ▸ 35 Contact Hours Certificate that satisfies PMI's education eligibility requirement.

6 ▸ An official copy of the PMBOK® Guide - Sixth Edition.

SKILLS

Develop your skills in initiating, planning, executing, controlling, and closing a project to achieve specific project goals

ALIGNMENT

The course curriculum is aligned to the Project Management Body of Knowledge (PMBOK® Guide - Sixth Edition) and to the PMP Exam Content Outline.

OUTCOME

Pass the PMP certification exam in your first attempt and become a certified Project Management Professional (PMP).

Training delivery formats

Live-online

Instructor-led live online training is delivered over online meeting software like Zoom, Webex.

Interaction ⭐⭐⭐⭐⭐ — You get high level of interaction with the trainer, just like Traditional Classroom, in which instructor is available for real-time interaction.

Ease of access ⭐⭐⭐⭐☆ — You just need a system with internet connection and you can access the classes at the comfort of your home.

Cost ⭐⭐⭐⭐☆ — It is way cheaper compared to classroom training. Additionally you get to save on your travel and accommodation.

Traditional classroom

This is delivered at a physical venue where the trainer and participants join for a face to face interaction.

Interaction ⭐⭐⭐⭐⭐ — Very high. You get a high level of interaction with the trainer.

Ease of access ⭐⭐☆☆☆ — Requires you to travel, in certain cases requires accommodation.

Cost ⭐⭐☆☆☆ — Typically very costly.

Online self-learning

As the name suggests this mode of training is online with complete flexibility of time and place. Study on your own pace with no scheduling conflicts.

Interaction ⭐⭐☆☆☆ — Real Time interaction with a trainer is limited. However, some providers, including GreyCampus provide instructor helpline if you get stuck.

Ease of access ⭐⭐⭐⭐⭐ — You can access it from anywhere, anytime at your own pace. Also, there are zero worries with scheduling conflicts.

Cost ⭐⭐⭐⭐⭐ — Cheapest among three variants.

A training course designed for adult learners

Our training course is trusted by over 50,000 project management professionals from all over the world. Here's why:

⊘ Guaranteed to run batches

All of our online live training courses will run as scheduled whether we have just one participant or a full house to make sure you can progress your career as planned.

⊘ Access to instructors after completion

Access to instructors after completion: all live online training participants will have remote access to our instructors for the entire month after completing their training. We won't leave you hanging.

⊘ Proven success rates

Our courses are led by PMI-registered education providers and our students have a global pass rate of 99.7%.

⊘ 100% Money back guarantee

We're 100% committed to your success. If you're not satisfied with any aspect of our live online training, just let us know within 24 hours of the start of the first day's training via email and we'll issue a full refund.

⊘ Full spectrum learning

The PMP training course includes a range of learning elements across hands-on practice questions and flash cards, structured videos, and instructor-delivered classes. No matter your dominant learning style - visual, auditory or kinesthetic - you'll be able to derive and retain the knowledge necessary to clear your PMP certification exam.

... And the Learning Continues

With our training program, you have access to all the resources you need to pass the PMP certification exam. When you sign up for the live training, you'll also get instant access to our easy-to-use online learning portal featuring:

Self-paced video lectures

GreyCampus provides a blended learning of classroom training and eLearning (self-paced. The self-paced learning complements your classroom training as it covers the entire syllabus of PMP and can be accessed anywhere, anytime for a quick reference.
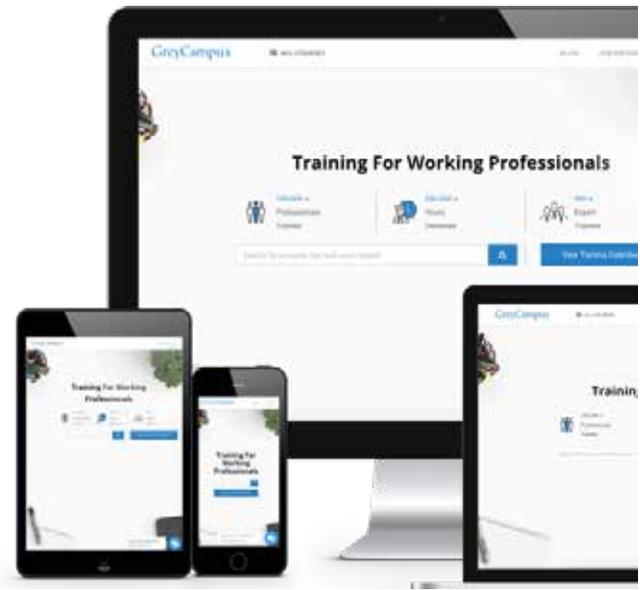

PMP Practice Questions

The PMP classroom training adopts a hands-on training approach wherein the instructor solves some of the sample questions in the class to give you an understanding of the types of questions that are going to be answered. Apart from this the GreyCampus' learning platform has about 300+ practice questions covering all the fundamentals of PMBOK® Guide - Sixth Edition.

Mock Exam

GreyCampus' PMP mock exams are the closest you can get to the actual PMP certification exam. These exams are developed by expert PMP's that provides all features of a full-length PMP exam. These 3 simulated exams help you track your performance with our customized reports that help you to clear the PMP exam in your 1st attempt.

PMP ITTO tools

The PMP ITTO's (Input, Tools, Techniques, and Outputs) are the components of a process that gives you a solid foundation for executing your project. We provide a complete PMP ITTO guide with some interactive tools to help you practice and prepare for your PMP exam.

# Student-Centric Curriculum Proven to Deliver Results

★★★★★   **yelp**

"My instructor was very accommodative and had a strong knowledge of PMP processes. He quoted examples from training to relate to the training to relate to the topic being discussed.

Dalia S.

★★★★★   ★ **Trustpilot**

"The instructor (Zack) was one of the best educators I have met. He was thoroughly detailed and professional, while regularly sharing real life scenarios, experiences and lessons-learned.

P. Wong

★★★★★   ★ **Trustpilot**

"Greycampus offer a very efficient training session and E-learning program. Moreover, the support team is very helpful and provide a valuable support throughout the procedure from registration till the exam day.

Jad Hobeichy

★★★★☆   ★ **Trustpilot**

"The elearning along with the training is great. It covers the most of the course curriculum. At least enough to pass the PMP exam.

Vikram Taneja
