What is a Scrum Team?

The Scrum Team consists of a Product Owner, the Development Team, and a Scrum Master. Scrum Teams are self-organizing and cross-functional.

What is a daily scrum?

The Daily Scrum is a 15-minute time-boxed event for the Development Team to synchronize activities and create a plan for the next 24 hours.

What is a Sprint?

Sprint is a time-box of one month or less during which a “Done”, useable, and potentially releasable product Increment is created.

What is Sprint Review?

Sprint Review is held at the end of the Sprint to inspect the Increment and adapt the Product Backlog if needed. During the Sprint Review, the Scrum Team and stakeholders collaborate about what was done in the Sprint.

What is a Sprint Planning Meeting?

The work to be performed in the Sprint is planned at the Sprint Planning Meeting. This plan is created by the collaborative work of the entire Scrum Team.

What is the Sprint Backlog?

The Product Backlog items selected for this Sprint plus the plan for delivering them is called the Sprint Backlog.
