Email: Invitation for Potential New Group Members

Use the suggested email below as a way to invite a new person to your group. Update the messaging as necessary to personalize to your recipient.

Hi _____,

I hope you are doing well.

We met a couple of times at church, and I've really enjoyed our conversations. I am writing to invite you and _____ to our new small group. We have really enjoyed the small groups we've been a part of in the past and wanted to start one of our own. We are inviting people we'd like to get to know better and you came to mind.

There's no pressure. This is a laid-back group of people who just want to get together and learn about God and meet some like-minded people.

We will be meeting on _____ at _____. If you have any questions, please don't hesitate to ask! I sure hope you will consider joining us.

Sincerely,
