Service Spotlight

Member Directory -

We are working on the member directory and hope to have it completed within the next month

Guests -

If you register a guest(s) to join you at a campout, and they cannot make it, please let me know at least 2 weeks prior. After that you will be charged for their meal, as we will be unable to cancel with the caterers at that point.

Early Arrivals -

We have had a lot of members arriving at campouts prior to their reservation date. This causes the campgrounds to have to scramble and move people around , and sometimes a site may not be available. Please make sure that you contact me at least 2 days prior to leaving home, if you think you may need to arrive early, so that I can see if that is a possibility. Thank you.

Wanting to add a day ? - Please be sure that when you initially make your reservations, that you include all of the days that you would like to attend. Starting August 1st, any days that you wish to add, must be done prior to the campground's cancellation policy deadline. This is due to a large amount of people adding days just before arrival, which is upsetting the campgrounds as it creates a lot of work on their part to try to accomodate everyone. We want to be sure that the campgrounds want us to come back year after year ! Thank you for understanding.

**Book your next campout with the VIP Club
at www.thegiant1.com NOW !**

See you at the next campout !
