# VICTORIAN HOLIDAY WEEKEND

## THURSDAY, DEC 1

#### LOVE LIGHT CELEBRATION

The holidays are a time of joy, laughter, family and friends. For many of us it is also a time of giving and remembering. Since 1992, our annual Love Light celebration has provided an opportunity to come together to remember and honor special people in our lives. Donations are collected to remember someone no longer with us, to recognize those who are serving or have served in the military, and to recognize those special people among us.

This year our Love Light Theme is "Inner Peace." We all struggle at times to find inner peace, especially during the holidays as we remember loved ones who are no longer with us. We invite you to join us this year as we embrace the journey to finding our own inner peace. We are pleased to be going back to an in person event this year and are grateful to Christ Lutheran Church for agreeing to host Love Light.

• Christ Lutheran Church, 700 County Rd B, Stoughton

#### FELLOW PYNINS @ STOUGHTON OPERA HOUSE

Fellow Pynins is a Portland, Oregon based award winning contemporary folk duo with a keen and bucolic sense of vocal harmony and song craft anchored in the balladry tradition. The duo consists of Dani Aubert (claw-hammer banjo, bouzouki) and solo artist Ian George (guitar, mandolin). They are songwriters, collectors, and interpreters. Since 2016 the duo has toured the US incessantly and has gathered significant traction in the UK/Ireland, gracing festivals such as Cambridge Folk Festival, Wilderness Festival, Omagh Bluegrass Festival, and selling out legs of their most recent UK/Ireland tour. In 2019 they were named by NPR's Bob Boilen as one of the best Tiny Desk submissions and the same year won the Minnesota Bluegrass & Old-Time duet competition. In 2020/2021 the duo relocated from Minneapolis, MN back to Oregon to build (learning every step of the way) two tiny houses on wheels for their family, which they now live in.

#### SUSAN WERNER @ STOUGHTON OPERA HOUSE

After writing twelve albums of songs in styles ranging from folk/rock to Tin Pan Alley to gospel, country and chamber music, what might a woman deemed by National Public Radio as "The Empress of the Unexpected" try next?

As audiences will testify, Werner's been knocking it out of the park - or concert hall - all around the U.S. for twenty years. Renowned as a charismatic performer, she's known above all for challenging herself to conquer new styles, almost like mountaintops, every few years.

From her 1995 major label debut, the folk/rock gem LAST OF THE GOOD STRAIGHT GIRLS, to her 2004 collection of Tin Pan Alley styled originals I CAN'T BE NEW, to her 2007 "agnostic gospel" hymnal THE GOSPEL TRUTH, to 2013's tribute to agriculture and her Iowa farm roots HAYSEED to 2018's Cuban flavored collection AN AMERICAN IN HAVANA, Werner's creative restlessness has become her defining characteristic.
