Parent Requests for 2017 Classes

Parents who have requests for their child's class placement in 2018 are asked to put it in writing to the principal by Friday 17th November. Requests need to be on the social and academic needs of the child and not simply a request for a particular class or teacher. For example, certain combinations of children may not work well together due to factors at school or beyond the school. Staff put many hours into seeking to get the best possible combination of classes but may not always have all the required information available. If parents have put in requests in previous years please do not rely on this to cover the 2018 school year. A new request

needs to be submitted as circumstances are constantly changing. Please do not rely on verbal discussions with staff as only written requests to the principal will be considered. All requests will be treated confidentially and we will endeavour to cater for these whenever possible within the set class structure. No requests from parents will be considered after this due date.

2018 New Teaching Staff

I am pleased to announce the appointment of new teaching staff joining the Lucknow community for 2018.

Mr Chad Ingram- STEM (Science, Technology, Engineering & Math)

Mr Daniel Clark- Numeracy Specialist

Mrs Kate Ingram

Mrs Camel Thomson

Miss Emma Stone

Mr Dylan Holden

Mr David North

The numerous appointments differ in their teaching experience, ranging from high quality graduates just beginning to embark on their career to experts that have an enormous amount of skill, knowledge and expertise. It is an exciting time ahead with new staff and the new learning opportunities that we will be able to offer and are thrilled to have them on board.

Uniform

This is a reminder to parents that school uniform is compulsory at Lucknow Primary School and this includes jumpers and jackets and navy blue pants/shorts/leggings – not black. The staff at Lucknow are focused on the education and wellbeing of your children and will be understanding when uniform is not available from time to time. Other students may see a classmate out of uniform and then insist to their own parents that it is okay without knowing the reasons. When staff deal with these matters they try to address them discretely and with compassion. This may be seen by some students as ignoring. Remember that we do have second

hand uniform available at school for just \$2 an item and if families are experiencing financial hardship, please come and speak to someone in the office regarding support to source uniform.

Parking

Parking is available for parents picking up and dropping off students in marked bays on Howitt Avenue and Balmoral Crescent, at the bus loop and in the IGA carpark. The staff car park is for staff only (with the exception of the disability spots) and there is no parking on any grassed area around the school. It is illegal to park on nature strips (see EG Shire website for more info) and parents are being fined by council laws officers.
