

BAR MENU

Catering menus come in a variety of package offerings, each customizable and suited to fit your needs and favorite flavors. G Texas Catering specializes in creating custom menus based on the needs of our clients.

contact us for assistance planning your custom menu.

BAR MENU

Our standard bar packages are outlined below. All bar packages include high-quality disposables as well as any supplies and equipment that are needed to service your bar. Custom bar packages including glassware and specialty drinks are available upon request. All bars require a minimum of (1) TABC certified bartender for every 75-100 guests for a 4-hour event. Tables are provided for bar set-up at no additional charge. Portable bars are available for an additional rental charge.
