Discover Panama, February 2018

A winter escape to explore the colours and natural beauty of Panama – the tropical land between the seas! Situated between the Caribbean Sea and the Pacific Ocean, on the isthmus connecting North and South America, the Republic of Panama is bisected by the amazing Panama Canal. Our many activities include a transit through two locks of the canal aboard the Pacific Queen, travel by

dugout canoe to a native village, and an excursion on Gatun Lake in search of the playful inhabitants of Monkey Island. We enjoy four nights with river view rooms at the Gamboa Rainforest Resort, two nights in the mountains of the Anton Valley, two nights in the artisan heartland, and three nights soaking up ocean views at the beachfront Westin Playa Bonita.

Southern Charm, April 2018

Experience southern hospitality and charm with two nights in Jacksonville, Florida; two nights at the luxurious Jekyll Island Club, Georgia; one night in historic Savannah, Georgia; and two nights in antebellum Charleston, South Carolina.
