## Experience It! Cruise Lake Winnepesaukee

A visit to New Hampshire is not complete without a sail on Lake Winnepesaukee aboard the famous motorship *M/S Mount Washington*. Since 1872, only two vessels have been named Mount Washington. The original was built for moving travelers and cargo from one side of the big lake to the other by the Boston & Maine Railroad Company. Today the “Mount” provides the best opportunity to enjoy the scenic beauty of the region, from the White Mountains to luxurious lakefront homes, and ports like Weirs Beach, Wolfeboro and Meredith. With its wide, spacious decks, there is ample room on this 1,250-passenger vessel to move about as a local expert calls out stunning views, points of interest, and local lore.
