Business is all about serving people and and it is important (to us) that we try to help make things better. To participate in a way that will contribute to the better of the world around us. As a small studio design mascot our influence is limited by our resources - it's not like we have a charity hit with a fortune of 500 companies - but from day one we bring talent and dollars where we can. On this side, we are proud to support Kiva, a charity that provides microloan to entrepreneurs around the world. We are also known to donate to Wikipedia when they do fundraising drives. It is important to keep the world's largest community created an information repository on the Internet for everyone to access. And lately we have been supporting patients who need surgery in Watsi.org. Help a little? Check! A warm and fuzzy feeling for us? Check! We hope to continue to contribute - and contribute more - as we grow and serve happier customers with our excellent mascot designs. The world's leading mascot designers. That's a big claim isn't it? So let's justify the claim without sounding like we're tooting our own horn. Okay, maybe we'll toot it a little bit. How many mascot designers are amazing talisman illustrations work like we do? Probably quite a lot, we will miss this moment happily. Next, how many mascot designers will stand for their work to provide you with unlimited concepts and unlimited changes? None of what we know. Point for us. How many of them are so sure to make you smile, will they protect you with a fair, simple English guarantee of reverse money? Set another moment for us. How about delivering more than a thousand mascots to happy customers? Point! Jokes aside, these are not glasses for us. They are for you because it all adds up to the world's leading mascot design studio that you can expect to have your mascot designed properly. If you still have to think about it, go for it.
